Making Plans for Your Wedding

Updated 5/2008

The goal of this booklet is to help provide the bridal couple with answers to questions involving having a wedding at Zion. Your wedding day is one of the most important days of your lives. It should be a joyous time, but also a reverent one. Please remember when planning your ceremony that weddings are worship services focused on God, not merely civil ceremonies focused on people. Your church, its staff ministry team, and pastor(s) are happy to share in this special occasion with you.

STEP 1: Make contact with the **church office staff** to **clear and reserve the date**, time, and facilities, preferably at least six months in advance. You must fill out and submit a room request form, including dates and times for decorating, rehearsal, picture taking, and ceremony. A \$100 deposit should be given to the church to secure date for the wedding at this time.

STEP 2: Make contact with the **pastor** to **clear and reserve the date**, and make an initial appointment. The pastor may meet with you as a couple to discuss certain elements of the ceremony itself and other phases of pre-marriage counseling.

STEP 3: You may contact the Parish Nurse at 386-1733 ext. 12 to find out about available options for pre-marriage classes. Zion Lutheran Church requires all couples to complete pre-marriage classes and/or pre-marriage counseling. The pre-marriage classes and/or pre-marriage counseling may be completed at Zion Lutheran Church or you may make your own arrangements elsewhere.

STEP 4: Your wedding coordinator will contact you and set up a time to meet with you. She is an invaluable resource person in nearly all phases of your wedding at Zion.

STEP 5: (Zion members only) Contact the Women of Zion at least three months before your wedding, if you wish for them to cater your reception.

Don't forget to get your marriage license. Applications must be made at least five to seven working days before the license is issued, as there is a five-day waiting period. The license should be turned into the church office three to five days prior to the wedding. The best man and maid/matron of honor must sign the license immediately following the ceremony.

WEDDING COORDINATOR

A Zion wedding coordinator is mandatory for ALL weddings performed at Zion. This is not optional if you wish to be married at Zion regardless of the size of your wedding. Even if you hire your own outside coordinator, the Zion wedding coordinator is still required. She is there to see that all of Zion's requirements are met, to answer questions about Zion and its policies and practices, and to oversee the return of the facility to its original condition following your wedding. She is also the biggest asset that you have to help to make your wedding run smoothly.

Sometimes money is a hard thing to bring up when you are discussing a religious ceremony, but that is also a part of the coordinator's job. Give the church office the security deposit to reserve a date. Please be prepared to give your coordinator full payment at least one week before the ceremony. An additional check will be necessary if members have the Women of Zion cater the reception. Payment of fees is detailed on pages 10 and 11.

PLANNING YOUR CEREMONY

This is the usual procedure for the wedding...

1. Prelude music for about 15 minutes. (Talk this over with your organist.)
2. Candles lit
3. Parents of the groom are seated
4. Mother of the bride is seated, if she is not entering with the bride
5. Processional: There are many ways for the processional to be held. Discuss them with your coordinator ahead of time to make your rehearsal run more smoothly.
6. Wedding service - See Order of Worship, next page
7. Recessional
8. Pastor exits
9. Ushers escort out immediate family members and dismantle aisle runner
10. Guests are ushered out
11. Receiving line (optional)
12. Reception

THE REHEARSAL

Please read carefully the following information:

The rehearsal should last about 1 hour, depending on the number of attendants. All parties are expected to be in attendance – including parents and ushers. If anyone is late, we will begin without him or her and fill in with substitutes.

1. Collection of any unpaid fees (or the rehearsal will be cancelled).
2. We will walk through what each member of the bridal party will do – where they will walk and stand during the processional, the service, and the recessional.
3. We will practice with the organ and use a condensed version of the service using what was learned previously. No vocalists and/or instrumentalists will be included at this time. They will rehearse with the organist either immediately before or after the rehearsal. It is your responsibility for them to connect with each other.
4. The wedding coordinator will review Zion's guidelines with your group. These include:
 - The bridal party and all guests to be ushered as part of the ceremony must be in the designated area at least 20 minutes before the ceremony – the wedding coordinator will not hunt them down.
 - Explanation of locations of activities in church: dressing rooms, eating area, etc.
 - Explanation of timing: when to arrive for pictures, when flowers will arrive, when bridal party is to be here, etc.
 - **No smoking anywhere in Zion** – this may be done in the parking lot.
 - **No alcohol and/or drugs** of any form anywhere on the church property – **the presiding minister has the authority to cancel the wedding activities in the event that this is a problem.**

- Preventatives for fainting – eat before the wedding, get plenty of rest, don't lock your knees during the ceremony.
 - Confirm names of individuals responsible for removing decorations and gifts from the church after the ceremony.
 - Not leaving any valuables at the church. The dressing areas are not locked, and Zion is not responsible for stolen items.
 - Any food brought to the church must be removed afterwards. Bring your own food receptacles for food storage. Do not use the kitchen utensils and or dishes for the food brought in.
5. Explanation of usher responsibilities – if you have special seating requirements, communicate them to the ushers.
 6. The minister may wish to add a few words.

THE WEDDING SERVICE

When the time comes for seating of honored guests, special songs to be played before the wedding, or lighting of candles, the wedding coordinator will give the go ahead to proceed. She will also orchestrate the processional.

The pastor will discuss the order of service with you when you meet. You should use the outline below to decide where you would like music inserted. It is appropriate at any of the “optional *” places listed below. To avoid the appearance of a concert, the optional music should ideally occur no more than 3 times.

Order of Worship

Processional
 Invocation/Greeting
 Special Music/Hymn – optional *
 Scripture Readings – see Pastor for suggestions

Sample wedding vows used by Pastor Jeanne Dahl:

Celebrant: _____, will you give yourself to _____ to serve her as her husband:
 to love her, comfort her, honor and protect her; and forsaking all others, to be faithful to her

alone as long as you both shall live?

Bridegroom: I will

Celebrant: _____, will you give yourself to _____ to serve him as his wife; to love him, comfort him, honor and protect him; and forsaking all others, to be faithful to him alone as long as you both shall live?

Bride: I will

(the bride and groom face each other and join hands)

Celebrant: Repeat after me:

Bridegroom and Bride: I, _____, receive you, _____, as my wife/husband, to have and to hold from this day forward; for better, for worse, in plenty and in want, in joy and in sorrow, in sickness and in health, to love and to cherish, to forgive and to strengthen, as Jesus would lead us, while God grants us life, I promise this before God and these witnesses.

DECORATING

You may wish to decorate the church and/or reception hall. Remember to include this time on the building use form. When decorating, please use caution in choosing appropriate materials. **No tacks or nails are to be used anywhere.** *Please convey this to your decorating helpers or service providers.* You may use poster putty, tape, and/or rubber bands. Please respect our facilities.

Zion has a set of 7-branch candelabras with off-white candles. There is a small fee for the use of them (for replenishing the liquid candle oil which they contain). Notify your wedding coordinator that you wish to use the candelabras so that she may arrange for an adequate oil supply and for the set-up of the candles. Decide who will light the candles and when, and communicate this to your wedding coordinator.

THE WEDDING DAY

If you and/or your wedding party are planning to dress at the church, speak with your wedding coordinator regarding what rooms are available. You may wish to bring an iron and ironing board, as Zion does not provide one.

Please remember to pack all personal belongings into designated cars **before** the wedding ceremony to assure that everything is taken care of before it is time for the wedding party to leave the church. A personal attendant may be an excellent choice for handling this matter. Please do not leave any valuables at the church. The dressing areas are not locked, and Zion is not responsible for stolen items.

It is a good idea to have something to eat before the ceremony. One option that has worked well is to provide buns, a meat and cheese tray, and fruit and/or veggies. Discuss with your wedding coordinator the best option for where to serve this. There is to be no food or beverages in the sanctuary.

There are some responsibilities for the host couple (listed on the “Host and Hostess Duties” page). Please have them report to the wedding coordinator **before** the ceremony for instruction.

DETAILS

1. If you are having a unity candle as part of your service, please decide in what manner the lighting of the side candles is to be done. Zion has a unity candle holder that you may use. (You supply your own center and side candles.)
2. The Altar Guild Handbook states that no flowers are to be placed on the altar. Flower stands are available. Avoid using artificial flowers in the altar area behind the railing. Ask the pastor if you have any questions about flower placement.
3. You must review your musical selections with the Pastor. Only sacred music may be played or sung as part of the worship service. A list of pre-approved choices is included in your wedding packet. Suggestions about how to choose your music: borrow CDs of wedding music from a library or meet with your organist to review music she has in her collection.
4. Some of Zion’s organists and vocalists are available to play or sing at weddings. Contact the organist directly to make all arrangements. The Zion organist fee includes planning sessions with the bride, rehearsals, and all wedding day music. See the list at the back of this booklet for fees. Any qualified organist should contact the wedding coordinator and the church office for practice times or questions about the organ.
5. No rice may be thrown after your wedding. Birdseed is an allowed alternative – outside the church only.
6. No cans, streamers, foam, soap, etc. are to be left on the premises. A decorated car is fun for the newlyweds, but cleaning up the mess is not fun. Your damage deposit will not be returned to you if this rule is not followed.
7. Decide on where you will stand and who will be in the receiving line, if you have one.
8. Arrange for a time for your flowers to be delivered to the church (making sure the church will be unlocked) and choose someone to pin flowers on special guests and servers.
9. If you will be having bulletins for your wedding, bring them to the rehearsal and give copies to the pastor, coordinator, musicians, and organists. [If you wish, you may order a pre-designed cover through one of the many catalogs available at the church office. Allow at least one month for ordering.]

10. Appoint someone, probably an usher or two, to be responsible for removing decorations from the church. They should also be responsible for replacing anything that has been removed in the church (such as flowers, swags, etc.).
11. Decide if you will use the podium stand or a table for your guest book.
12. You should have two people, usually children, to be available to carry gifts from the guests to a gift table. Appoint someone, usually an usher, to remove them immediately following the ceremony. Arrange for the vehicles ahead of time.
13. Zion has a wedding banner available for your use. If you choose to use it, the wedding coordinator will assist a member of your wedding party in hanging it up and taking it down.
14. The nursery is not available.

RECEPTION

If you are planning to have your reception at Zion, your wedding coordinator will be able to assist you in planning and arranging the necessary help. The Women of Zion will cater member weddings. Options for food service through Women of Zion are detailed on page 9. The following restrictions are made to determine if catering is available:

- The Women of Zion group does not cater on holiday weekends.
- Either the **bride or the groom** or the parents must be a **member in good standing at Zion at the time that the wedding date is reserved.**

If you do not fit these criteria, it is your responsibility to arrange for other means of serving and preparing food for your reception and to communicate these arrangements to your wedding coordinator. It is necessary that a member of the Women of Zion organization be present during your use of the facilities, including preparation, serving, and clean up (a \$40 fee applies). She will monitor, assist in the use of the equipment, launder towels, and supervise the cleanup; she is not there to serve or wash dishes, but is simply an overseer. The wedding coordinator will arrange for this person. Your caterer is responsible for all work involved.

You may also decorate the fellowship hall for your reception, keeping in mind that the same rules apply for affixing decorations. (**No tacks or nails are to be used anywhere.** *Please convey this to your decorating helpers or service providers.* You may use poster putty, tape, and/or rubber bands.) Your wedding coordinator will set up the serving table if you plan to use Zion's linens and give you suggestions for setting up the seating tables. You are responsible for the set up of chairs, placing of tables and coverings, and any centerpieces.

Included in your use of the reception area is the use of the punch bowl, dishes, serving platters/utensils, electricity, cleaning supplies, coffeepots, etc. Members of Zion may also wish to use Zion's silver service (only when the Women of Zion serve) and linens, which are available for a nominal laundering fee. (See fee schedule.)

You should provide a minimum of 4 waitresses to help in the dining room. Ask them to report to the kitchen right after the ceremony to learn about their responsibilities.

WOMEN OF ZION FOOD SERVICE

Women of Zion food service is available to members of Zion Lutheran Church only. **If you choose to use this service, you must contact the Christian Service Chairperson at least 3 months in advance.** There are three options you may choose from with a 100-person minimum and 200-person maximum that applies to all plans. You will need to inform your wedding coordinator of the number you plan to serve, and pay for that number at least one week before the ceremony. If more are served, you will need to pay for the additional persons following the reception. If fewer guests attend than the number expected, there would be no refund, as the women's group will have staffed for the number expected. The wedding coordinator must consult with the Christian Service Chairperson before quoting a price for the service to the bridal couple.

PLAN A: Cold Foods: The bridal couple will provide **prepared** food and the Women of Zion will provide such services as: butter buns, arrange food trays, and make sandwiches. This plan is for a cold salads type reception. If it is necessary to mix salad, ingredients must be fully prepared. If food preparation is necessary, there will be an additional charge of \$.50 per plate.

Cost: starting at \$200 minimum, plus \$2 per plate for over 100 people.

PLAN B: Hot Foods: The bridal couple will provide **prepared** food and the Women of Zion will provide such services as butter buns, heat foods, and arrange trays. This plan is for hot meal service. If it is necessary to mix salad, ingredients must be fully prepared. If food preparation is necessary, there will be an additional charge of \$.50 per plate.

Cost: starting at \$250 minimum, plus \$2.50 per plate for over 100 people.

PLAN C: Full Meal Service: The bridal couple will provide the ingredients and the Women of Zion will prepare the entire meal. The cost per plate will depend on the menu. Maximum of 200 guests.

Cost: starting at \$500 minimum, plus \$5.00 per plate for over 100 people, with the actual per plate cost being determined by the menu chosen.

With all the plans, the Women of Zion will make coffee, mix punch, serve food, and clean up the kitchen. The bridal couple must supply the coffee, punch ingredients, nuts, and mints for all plans. Please also provide containers for leftover foods after the reception and make arrangements for these to be taken out of the church immediately following the reception. Our refrigerator storage space is extremely limited.

When using an outside catering firm, full kitchen service staff must be provided for food service and clean up. If kitchen staff is not provided, members of Zion can retain the services of the Women of Zion to serve the meal and you will be charged according to Plan B. The catering firm must communicate with the Christian Service Chairperson at least one month before the wedding to make arrangements.

PAYMENT OF FEES - FEE SCHEDULE FOR WEDDINGS AND RECEPTIONS

Your wedding coordinator will need the following checks from you at least **one month** before the ceremony. She will inform you of the amount of each check in advance.

Check #1 – Made payable to Zion Lutheran Church for the Damage Deposit, \$100
 Both members and non-members are required to write out a separate check (\$100) at the time of securing their wedding date, to cover damage and/or extra work or wear and tear at Zion. This check will be returned to you in the weeks following the ceremony, if things are found to be in good order.

Check #2 – Made payable to Zion Lutheran Church to include the Ceremony and Reception Fees (see itemization below and on the following page)

Check #3 (If the Women of Zion are serving the reception meal) – Made payable to Women of Zion for the number of people you expect to serve.

Note that **either the bride or the groom must be a member of Zion (or a son or daughter of an active Zion member), in the view of Zion’s bylaws, at the time you reserve the church,** in order to qualify for member fees.

Scripture and Music Selections

Below, you will find a non-comprehensive list of **wedding Scripture** suggestions. Remember that the most appropriate readings are those parts of Scripture that mean the most to you: your favorite psalm, verse or chapter. These may be read by the pastor or members of your wedding family. The following are possibilities:

Genesis 2: 18-24	The creation of woman
From Song of Solomon	A Scriptural love song
Jeremiah 31: 31-34	God's new covenant with us
From Romans 12	The life of the Christian couple
1 Corinthians 13	Paul's expression of love
Ephesians 5: 25-33	Talking to newlyweds
Matthew 5: 1-12	The Beatitudes
Matthew 7: 24-29	The house built on the rock
Matthew 19: 4-6	
Matthew 22: 35-40	Love, the greatest commandment
John 2: 1-11	Jesus at the wedding feast at Cana
John 15: 9-16	Christ's love and our love
John 17	Jesus' prayer "that they may be one"
Psalms 45	The king's royal wedding song
Psalms 1	Live with God
Psalms 23	The Lord is My Shepherd..
Psalms 46	Asking for God's strength and presence
Psalms 149: 1-5	
Ecclesiastes 4: 9-12	
Colossians 3: 12-17	
1 John 4: 7-12	

As you start the process of making your **musical selections** for your wedding, it is important that you keep in mind that your ceremony is a worship service. Therefore, only sacred music may be played or sung as part of the worship service. Secular music may be played or sung only as a part of the prelude. Following, you will find a broad list of suggested prelude, processional, recessional, congregational, and vocal music selections. This list is for your benefit and may help you in selecting the most appropriate music for your wedding. Your organist will also be able to help you in this task. Some of Zion's organists are available to play at weddings. Please call the wedding coordinator for a list of names. Any qualified guest organists should contact the wedding coordinator for practice times or any questions about the organ. If one of Zion's organists is used, his/her fee includes any planning sessions with the bride and groom, any necessary rehearsals, and wedding day prelude, processional, congregational hymns, vocal accompaniment, and the recessional. Please feel free to utilize the vast musical knowledge of your organist, as s/he can be a valuable source of information to you.

To help you determine the number and type of musical selections needed, it may be helpful to you to review the order of worship (see the Zion Wedding Planner booklet and the pastor). In this way, you can see the variety of ways in which your musical selections, in the form of instrumentals, vocals, or congregational hymns, may be incorporated into the wedding ceremony. Once you have chosen the music for your ceremony, it must be reviewed by the Zion pastor. Any music which is included on the list below is understood to be appropriate music and need not be submitted. However, any other music not included on the following list must be submitted, in the form of sheet music or a tape to the presiding minister. If it is rejected for any reason, you are responsible for choosing an alternate selection and resubmitting it. If you are in doubt about any particular selection, it is in your own best interest to submit it in plenty of time so that you have ample time to choose alternates, if necessary.

WEDDING COORDINATOR RESPONSIBILITIES

The duties of the wedding coordinator will include:

- educate bride/groom in options available at Zion, including ceremony/wedding
- explain and collect fees, which must be paid one month before wedding (The rehearsal shall not go forward if the checks have not been received by that time.)
- act as “monitor” for Zion weddings (to see that the requirements of Zion are met)
- notify the custodians beforehand when the bridal party intends to decorate and set-up AND afterwards so they can come to clean appropriately
- hold at least two meetings with the bride/groom to go over arrangements, options, what is available, and to give a church tour, if necessary
- share ideas and make suggestions for processional, altar arrangements, ushers, seating, etc.
- lead rehearsals, assist pastor during rehearsal, instruct bridal party

User Group Policy

Permit usage by community service groups or other church groups only (non-profit groups that are approved by Church Council).

Usage requests from groups that have not been previously approved must be considered by the Church Council at their regular monthly meetings. In order for a request to be considered, it must be submitted in such a timely manner so it can be given proper consideration before the usage is to take place. Any request which is received too late shall be rejected or held over until the next council meeting, if appropriate. The usage request forms are available in the Church office during regular working hours. They must be completely filled out. The needs and intent of the group must be very clearly defined.

Those groups which regularly use the church must resubmit usage requests annually. It is possible that a group may not receive approval for the same usage as they previously had approval for because a group within Zion has obtained usage of a certain time/area.

Anyone desiring use of the kitchen equipment must secure the approval of the Women of Zion. Please call the church office at 386-1733 for the telephone number of the Women of Zion contact.

Any damage to church property caused by a user group or a member of that group shall be the responsibility of that group to repair or replace at their own expense.

The individual who signed the usage request form will be the responsible party.

User groups are responsible for cleaning up the area they used so it is left in the same condition as when they came. If there should be spills on carpets, they must be completely cleaned up, even if it requires that they retain the services of a professional cleaner at their expense.

Usage of the nursery requires that there be a responsible party in the nursery at all times. The responsible party shall be charged a \$10 cleaning fee if any cleaning of nursery is necessary. There will be no food in the nursery.

Weddings: Usage requests must be done through the church office and wedding coordinator. Wedding parties are responsible for any damage done to church by guests or party, and shall pay expenses for repair or cleaning beyond normal wear and tear.

Once permission from council has been granted, and request forms filled out through the office for the time granted, the user group has priority over area requested for requested period of time only.

Church Council and/or pastors have the right to cancel group use at any time.

Please request and display reservation approval card on door of room being used. Zion church groups not using reservation approval card are not guaranteed specific rooms.
